Reading Strategies – do you know any?

Step 1: Try to answer the questions about the three Spanish texts. After you have completed the tasks, please come back to this form and take a minute to reflect on how you read the texts and why you could answer the questions correctly - even though you do not know any Spanish!

Step 2: Can you determine and describe briefly what you did to find the right answers to the questions 1-8 for the three texts? What information about or in the texts help you? What do you think are good strategies for reading?
